

ENJOY BEACHES ACCESSIBLE ONLY BY SEA

The municipality Guanta has the best coast beaches. To enjoy and from the hotel, take the road Guanta to Cumaná.

Continue straight and be pendency, so three minutes after the detour to the Puerto de Guanta, you will see a turning on the left is the entrance to "Pamatacualito".

Follow to the end and find monitored parking. There, you can buy the tickets to travel to different beaches and islands. From this same dock, you may travel to Isla de Plata which has good beach and services. Another option is to travel to Punta de La Cruz, probably the best beach in Guanta. The boat journey along

the coast takes about 15 minutes.

In Punta La Cruz, food is good, lunch, drinks, delicious cocktail and beach umbrellas, chairs and water sports. When in season, you can enjoy delicious oysters in Michel's hut, cultivated oysters of good size in an attractive presentation.

OTHER SITES OF INTEREST.

On the way to Cumana you will find transparent coastline beaches with access from the road, which will also provide a pleasant experience. Valle Seco, Arapito, Vallecito, Pescadores and Playa Colorada, we recommended. Finally Altos de Sucre if you want to do some hiking, enjoy the views, the excellent food and cooler temperatures, since you will be on the top of a mountain range.

EL PARQUE NACIONAL MOCHIMA

MEET THE MAIN ISLAND PARK

Between Puerto La Cruz and Cumaná and with an area of almost 9500 hectares unfolds Mochima National Park or "Land of Many Waters". It has 125 km of coastline and 18 islands located in Anzoátegui State.

The best beaches are Saco beach and Puinare beach, both located on the island Chimana Grande. El Faro on Chimana Segunda island and Isla de Plata are accessible from the dock in Pamatacualito, near to Guanta. In the Sucre State, is Arapo Island and the unforgettable "Piscina" with crystal clear water in the middle of two islands.

Another group of attractive beaches, located on the coast line are Valle Seco, Ña Cleta, Conoma and Punta La Cruz in Anzoátegui State and

Arapito Beach, Colorada beach and Vallecito in Sucre State. Some of these beaches have direct road access, others may be reached by peñeros (small fishing boat) from Guanta, Vallecito or Valle Seco. The Borrachas Islands are ideal for those who enjoy scuba diving.

Saco beach

Puinare beach

Vallecito

Arapo Island

Ña Cleta

Plata Island

Punta La Cruz

Colorada beach

Faro beach

From 9:00 am on the deck of Paseo La Cruz, you may access the fishing boats. There is parking, and you may purchase tour transportation to the beaches of Saco Island, Puinare or Faro. The crossing takes 15 to 25 minutes depending on the island. If you

wish, you can take a cooler with drinks and snacks for your use. Are not allowed to bring animals or glass containers, music must be low so you don't disturb your neighbors. Remember to put the waste in the containers located on the beach.

All these beaches have food and beverage services as well as bathrooms, umbrellas and chairs

MEET OUR DOLPHINS

Next to our lobby is Salón Universal, you may contact the services to enjoy tours that combines adventure, quality of service and the unforgettable experience of watching

dolphins in their natural habitat in Mochima National Park. This tour, known as the Island Tour also includes a visit to Faro Island, Cueva de La Virgen, Piscina beach and lunch

and swimming beach in Punta La Cruz, all under special guidance, drinks are available on board. Access is at the dock in Paseo Colón from 9:00 am to 4:00 pm.
